Edited by John U. Ogburn

## **BOOK SYNOPSIS**

This book is the definitive and final presentation of John Ogbu's cultural ecological model and the many debates that his work has sparked during the past decade. The theory and empirical foundation of Ogbu's scholarship, which some have mistakenly reduced to the "acting white hypothesis," is fully presented and re-visited in this posthumous collection of his new writings plus the works of over 20 scholars. Ogbu's own chapters present how his ideas about minority education and culture developed. Readers will find in these chapters the theoretical roots of his cultural ecological model. The book is organized as a dialogue between John Ogbu and the scholarly community, including his most ardent critics; Ogbu's own work can be read at the same time as his critics have their say. *Minority Status, Oppositional Culture, and Schooling* examines content, methodological, and policy issues framing the debate on academic achievement, school engagement, and oppositional culture. It brings together in one volume, for the first time, some of the most critical works on these issues as well as examples of programs aimed at re-engagement. In addition to African Americans, it also looks at school engagement among Native American and Latino students. This book is essential reading for anyone interested in the study of the academic achievement gap.

### **MINORITY STATUS OPPOSITIONAL CULTURE & SCHOOLING SOCIOCULTURAL POLITICAL AND HISTORICAL STUDIES IN EDUCATION -**

Are you looking for Ebook *Minority Status Oppositional Culture & Schooling Sociocultural Political And Historical Studies In Education* ?
