BOOK SYNOPSIS

A completely redone version of a treasured classic. This newly translated volume, complete with facing Hebrew-English text and shoulder captions for clarity, revitalizes the study of Rabbi Moshe Chaim Luzzattos classic ethical work. The Path of the Just has long been regarded as the crown-jewel of mussar study. The Gaon of Vilna constantly kept a copy of Mesillas Yesarim at his side, and yet the piercing wisdom of the Ramchal is just as relevant to our own lives. The author gently guides the reader through various levels of character refinement, shining a beacon of life on the path to perfection.
